Los viajes de Gulliver (Spanish Edition) Jonathan Swift

Este ebook presenta "Los viajes de Gulliver", con un sumario dinámico y detallado.

Los viajes de Gulliver es una novela de Jonathan Swift, publicada en 1726. Aunque se la ha considerado con frecuencia una obra infantil, en realidad es una sátira feroz de la sociedad y la condición humana, camuflada como un libro de viajes por países pintorescos.

La novela cuenta los fantásticos viajes del cirujano y capitán de barco Lemuel Gulliver tras su naufragio en una isla perdida. Pronto Gulliver descubrirá que la isla está habitada por una increíble sociedad de seres humanos de tan solo seis pulgadas de estatura, los liliputienses, engreidos y vanidosos ciudadanos de Liliput. En un segundo viaje Gulliver descubre Brodbingnag, una tierra poblada por hombres gigantes, de gran capacidad práctica, pero incapaces de pensamientos abstractos. En su tercer viaje va a parar a la isla volante de Laputa, cuyos habitantes son científicos e intelectuales, ciertamente pedantes, obsesionados con su particular campo de investigación pero totalmente ignorantes del resto de la realidad.

Jonathan Swift (1667 – 1745) fue un escritor satírico irlandés. Su obra principal es Los viajes de Gulliver, que constituye una de las críticas más amargas que se han escrito contra la sociedad y la condición humana. Su novela Los viajes de Gulliver tuvo una influencia determinante en autores radicales ingleses como William Godwin y Thomas Paine.
