Meet Nikki and Deja, who live next door to each other and are best friends. They do everything together—watch Saturday morning cartoons, play jacks, jump double Dutch at recess, and help each other with their homework for Mrs. Shelby's third-grade class. But when an arrogant new girl arrives and Nikki and Deja form a club that would exclude her, the results are not what they expect. This warm, easy-to-read chapter book from an award-winning author captures all the joys and complexities of elementary school life—particularly friendships and cliques—with finesse and humor.
