Inheriting her estranged father's property isn't the reason Robyn Warner wanted to come back to Pine Hollow. She thought she'd make amends with her father—but his sudden death made that impossible. And when she learns the identity of the handyman fixing the run-down cabins, Robyn is ready to flee Pine Hollow again. Caleb Sloane, the cop responsible for her father's accident, just wants to uphold his promise and then return to the force. But he can't seem to walk away. After all, he understands about guilt and regret. And he'll do everything he can to help Robyn find healing, happiness and—just maybe—a lifetime of love.
