A Rabbi Looks at Jesus of Nazareth Jonathan Bernis

Raised in a traditional Jewish family, international television host Jonathan Bernis was taught from a young age that "Jews don't--and can't!--believe in Jesus." Yet in his study of the Bible, including the Torah, he found overwhelming evidence that Jesus of Nazareth really was the Jewish Messiah.

With warmth and transparency, Bernis talks about discovering Jesus in history, too, and how it was that the Jewish Yeshua became the Gentile Jesus. By presenting historic evidence that Jesus is Messiah and refuting common Jewish objections, Bernis gives Christians the knowledge and tools they need to share their Lord with their Jewish friends in a loving, effective way.
