The Color Me! Adult Coloring Book series are coloring books developed specifically for adults. "Color Me! Montauk Lighthouse" includes images of one of our first lighthouses. The images are more than simple outlines; set up to be colored in or painted on as you desire. Each image is my individual creation, and will not be found in coloring books designed for kids.

Level 3 books include a mixture of solid outlines and rough guidelines. Some interpretation of background images is required. The images are printed on white bond paper, ready for crayon, color pencil, charcoal, or paint.
