**El crucigrama. Retos e ideas para desaprender a pensar: 1 (Spanish Edition)** Juan Palacios Gil

Este libro es una plataforma, un sustrato, un soporte donde experimentar, donde desaprender, donde vivenciar, donde pensar sobre como pensamos. Es un espacio vital que vehiculiza la posibilidad de construir (o des-construir) experiencias vitales emergentes, que puedan ayudarnos a desaprender a pensar, para reaprender a ser. Por tanto, nace con vocación holística, que parte del pensamiento, pero que pretende conectar , desde la interdependencia, con el sentir y con el hacer, y que pretende acercarse a lo esencial . Es un libro que, en vez de xapilonar tochos en la obra del pensar, aspira a construir la catedral del ser. Su contenido está basado en la experiencia docente de su autor, que recoge treinta casos de empresa, cuya resolución por parte del lector implica la puesta en marcha de diferentes tipologías y estrategias de pensamiento.
