*Pilgrim* is a teaching and discipleship resource that helps inquirers and new Christians explore what it means to travel through life with Christ. A Christian course for the twenty-first century, *Pilgrim* offers an approach of participation, not persuasion. Following the practice of the ancient disciplines of biblical reflection and prayer with quotes from the Christian tradition throughout the ages, *Pilgrim* assumes little or no knowledge of the Christian faith. Individuals or small groups on the journey of discipleship in the Episcopal tradition can use *Pilgrim* at any point.

There are many different aspects to helping people learn about the Christian faith. We have taken as our starting point Jesus' summary of the commandments. We are called to offer our lives to God through loving God with all our mind, soul, strength, and heart, and to love our neighbor as ourselves. Learning about Christian faith and growing in Christian faith is about more than what we believe. It's also about the ways in which we pray and develop our relationship with God, about the way we live our lives and about living in God's vision for the Church and for the world.

Course 4. *The Beatitudes*: A short but profoundly beautiful and influential collection of sayings by Jesus. They sum up his teaching about what it means to live as a child of God's kingdom. The authors of this course believe that following Jesus requires us to engage with this important text, so that it is restored to a central place in the life of the Church. We believe that the Beatitudes, and trying to live them out, is one of the best ways of loving God with all your heart and understanding the Christian vision for the world.
