Hold Love Strong: A Novel Matthew Aaron Goodman

In this poignant tale of self-discovery, a young man struggles to survive the New York City housing projects in the face of familial, communal, and personal devastation.

Born to a thirteen-year-old in the bathroom of his family's small apartment, Abraham Singleton enters a world laden with the obstacles inherent in an impoverished community. In spite of the crack epidemic and the HIV crisis that ravage their neighborhood, the Singleton family -- cousins, an uncle, an aunt, Abraham, and his mother -- is held together by Abraham's heroic grandmother, whose deep faith and stoic nature have always given them a sense of wholeness and hope. But when the family goes through several harrowing losses, not even his grandmother may be strong enough to lead them through.

At the center of this story is Abraham, the youngest of the Singletons. Deeply intuitive and cerebral, he is determined to thrive in a place that has destroyed the dreams of those around him. College means opportunity, yet it also means leaving behind those he loves. Abraham's journey into adulthood will break his heart but ultimately offer the possibility of redemption.

In this haunting, lyrical, and evocative novel, Matthew Goodman composes a paean to the power of family and belonging in the African-American community. *Hold Love Strong* is a spellbinding coming-of-age tale about love, hope, and the will to survive, and a stunning universal story about the incredible capacity of the human spirit.
