Los felices años veinte: España, crisis y modernidad (Estudios) (Spanish Edition) Carlos Serrano, Serge Salaün

Este es un libro singular, sea que miremos sus contenidos, sea que atendamos a cómo se forjó y llevó a cabo el proyecto editorial. No estamos ante la suma de contribuciones eruditas al uso, sino frente al resultado de una voluntad por pensar, discutir y redactar conjuntamente (casi comunitariamente) una historia de los años veinte atenta a las manifestaciones de ruptura y al peso de las tradiciones, a la economía y a la estética, a la geografía española y a la situación internacional.
