**Pilot Season: Genius #1 (Pilot Season 2008)** Adam Freeman, Marc Bernardin

Alexander, Hannibal, Napoleon, Patton. What if the greatest military mind of OUR generation was born in strife, surrounded by violence and combat since birth? When the gauntlet is dropped, the question isn't 'How did 17-year-old Destiny Ajaye unite the gangs of South Central into a killer army and declare war on the LAPD?' No, the question is, 'Can anyone stop her?' NOTE: Recommended for mature readers. From the minds of writers Marc Bernardin & Adam Freeman (The Highwaymen, Monster Attack Network) and innovative illustrator Lakota Sioux (HALF DEAD), GENIUS is a book that will have readers talking for months to come.
