Cabin Fever (Mediterranean Nights) Mary Leo

Sometimes you need someone to teach you the things you already know...

Becky Montgomery's husband was a real catch. And when he died two years ago, she buried her emotions—and her needs—with him, and buried herself in her job.

Sailing aboard the cruise ship *Alexandra's Dream* for a weeklong vacation with her two children and a painfully exacting mother-in-law, Becky figures a Christmas holiday doesn't seem like the time to start dipping her toes into the sea of love. But when she finds a pendant that's supposed to bring her luck—and meets Dylan Langstaff, the ship's charismatic diving instructor—she may be ready to take the plunge.

Dylan has charmed a lot of women in his time working aboard *Alexandra's Dream*, but there's something different about Becky.

It's changing the way he wants to live...just the way something about him is changing the way she wants to love....
