## **Growing Into a Family: A Kid's Guide to Living in a Blended Family (Elf-help Books for Kids)**

Cynthia Geisen

Families blend together for a variety of reasons. Widowed or divorced parents choose to remarry. An ailing or elderly relative can no longer live alone and moves in with his son's family. A family chooses to adopt a child. Economic circumstances force family members to combine households. Regardless of why it happens, creating a blended family is a process of transition that takes time, patience, humor, compassion, and a whole lot of conversation. In *Growing Into a Family*, author Cynthia Geisen guides children and the caring adults in their lives through the many questions and mixed feelings that blended families face. In the end, it is love, compassion, persistence, and a large dollop of humor that are really the tools that will help young readers find peace and joy in their family's new realities.
