The Dark Farewell Josh Lanyon

Don't talk to strangers, young man—especially the dead ones.

It's the Roaring Twenties. Skirts are short, crime is rampant and booze is in short supply. Prohibition has hit Little Egypt, where newspaperman David Flynn has come to do a follow-up story on the Herren Massacre. The massacre isn't the only news in town though. Spiritualist medium Julian Devereux claims to speak to the dead—and he charges a pretty penny for it.

Flynn knows a phoney when he sees one, and he's convinced Devereux is as fake as a cigar store Indian. But the reluctant attraction he feels for the deceptively soft, not-his-type Julian is as real as it gets.

Suddenly Julian begins to have authentic, bloodstained visions of a serial killer, and the cynical Mr. Flynn finds himself willing to defend Julian with not only his life, but his body.

Warning: This novella contains phony spiritualists, cynical newspapermen, labor disputes, illicit love affairs, high-calorie southern cooking, and more than fifty-percent humidity!
