Women's Roles in Twentieth-Century America (Women's Roles in American History) Martha May

The twentieth century was a time of great transformation in the roles of American women. Women have always worked and raised families, but, theoretically, the world opened up to them with new opportunities to participate fully in society, from voting, to controlling their reproductive cycle, to running a Fortune 500 company. This content-rich overview of women's roles in the modern age is a must-have for every library to fill the gap in resources about women's lives. Students and general readers will trace the development of American women of different classes and ethnicities in education, the home, the law, politics, religion, work, and the arts from the Progressive Era to the new millennium.

The twentieth century was a time of great transformation in the roles of American women. Women have always worked and raised families, but, theoretically, the world opened up to them with new opportunities to participate fully in society, from voting, to controlling their reproductive cycle, to running a Fortune 500 company. This content-rich overview of women's roles in the modern age is a must-have for every library to fill the gap in resources about women's lives. Students and general readers will trace the development of American women of different classes and ethnicities in education, the home, the law, politics, religion, work, and the arts from the Progressive Era to the new millennium.

Each narrative chapter covers a crucial topic in women's lives and encapsulates the twentieth-century growth and changes. Women's participation in the workforce with its challenges, opportunities, and gains is the focus of Chapter 1. The developing role of women and the family, taking into consideration consumerism and feminism, is the subject of Chapter 2. Chapter 3 explores women and pop culture and the arts-their roles as creators and subjects. Chapter 4 covers education from the early century's access to higher education until today's female hyperachiever. Chapter 5 discusses women and government, from winning the vote through the battle for the Equal Rights Amendment, to Women's Lib, and public office holding. Chapter 6 addresses women and the law, their rights, their use of the law, their practice of it, and court cases affecting them. The final chapter overviews women and religious participation and roles in various denominations. An historical introduction, timeline, photos, and selected bibliography round out the coverage.
