**A Moment in Time (Strong Delusion Trilogy) (Volume 1)** Wanda MacAvoy

JESUS IS COMING! She had heard it all her life, she just didn't believe that He would come during her lifetime...but He did. Carrie Spangler had made a profession of faith in elementary school; but even at the time, she knew it was not genuine and Satan uses every opportunity to continue the deception, including Matthew Hanks! Todd Jenson has always longed to know God but has never had the opportunity to do so. When he meets Carrie at SUNY's New Paltz campus, he is drawn to her; and when "fate" literally drops her into his lap, he couldn't be happier. She is a mystery to him as she keeps any information about her background from him; and when he finally takes her home to ask for her hand in marriage, her parents are gone! As they begin their marriage at the start of the Tribulation, will they be able to survive; and will their marriage breach the differences that steadily grows between them?
