Pizza. Huevos Rancheros. Pad Thai. Enchiladas. Some of America's most-craved foods aren't "American" in the traditional sense--they're the international foods we love to order at restaurants or have delivered to our homes. But most renditions of these beloved ethnic dishes are full of fat and calories. How can you get the flavor they crave, without buying one of those reduced-calorie frozen meals that are full of salt and other preservatives?

Now, with *The Biggest Loser Flavors of the World Cookbook*, you can have your lasagna and eat it too! With more than 75 recipes for favorite ethnic staples as well as legendary regional American cuisine created by Chef Devin Alexander and *The Biggest Loser* contestants, healthy eating has never been more exciting.

Discover how former contestants reinvented favorite dishes from their own cultures and regions to fit into their healthy new lifestyle, and learn how to cut the calories and fat from America's most-loved ethnic foods. And Chef Devin Alexander's reliably decadent creations save both money and calories, as any of these dishes can be made at home for a fraction of the cost of a restaurant or take-out meal!

The book includes recipes for meals, snacks, dinners, and desserts, and will cover a wide range of cuisines, from the down-home Southern classics to delicious Asian dishes, Mexican favorites, hearty Italian meals, and many others. It also includes cooking tips from Chef Devin, weight-loss advice from the contestants and trainers, and an overview of the Biggest Loser food plan. *The Biggest Loser Flavors of the World Cookbook* will show readers how to expand their culinary horizons--without expanding their waistlines!
