**30 Days to a More Powerful Brain: The BrainX Learning Mastery System** Bruce Lewolt, Tony Alessandra

In the last 20 years, a revolution has taken place in the understanding of what intelligence is and how to use it. At the same time, the seeming miracle of the computer has become a major presence in everyone's life. And in an environment in which thinking machines have become so important, people may be devaluing the power of their own brains. This programme uses an online digital tutoring and reinforcement system to help listeners quickly master information so they can put it to use, putting together the best of both worlds - their brain and their computer.
