## **Before the Oath** Martha Joynt Kumar

It's one of the hallmarks of American democracy: on inauguration day, the departing president heeds the will of the people and hands the keys to power to a successor. The transition from one administration to the next sounds simple, even ceremonial. But in 2009, as President George W. Bush briefed President-elect Barack Obama about the ongoing wars and plummeting economy he'd soon inherit, the Bush team revealed that they were grappling with a late-breaking threat to the presidency: U.S. intelligence sources believed that a terror group with links to Al Qaeda planned to attack the National Mall during the inaugural festivities. Although this violence never materialized, its possibility made it clear that well-laid contingency plans were essential.

Political scientist Martha Joynt Kumar uncovered this secret peril while interviewing senior Bush and Obama advisers for her latest book. In *Before the Oath*, Kumar documents how two presidential teams—one outgoing, the other incoming—must forge trusting alliances in order to help the new president succeed in his or her first term.

Kumar enjoyed unprecedented access to several incumbent and candidate transition team members, and she combines in-depth scholarship with one-on-one interviews to put readers squarely behind the scenes. Using the Bush-Obama handoff as a lens through which to examine the presidential transition process, Kumar interweaves examples from previous administrations as far back as Truman-Eisenhower. Her subjects describe in vivid detail the challenges of sowing campaign ideals across a sprawling executive branch as Congress, the media, and external events press in. Kumar's lively account of lessons learned and pitfalls encountered during past presidential transitions provides an essential road map for presidential aspirants and their advisers, as well as campaign workers, federal employees, and political appointees.

#### **Tracy Cluck:**

Does one one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Try and pick one book that you never know the inside because don't judge book by its handle may doesn't work is difficult job because you are afraid that the inside maybe not while fantastic as in the outside appear likes. Maybe you answer may be Before the Oath why because the excellent cover that make you consider about the content will not disappoint you. The inside or content is usually fantastic as the outside as well as cover. Your reading sixth sense will directly direct you to pick up this book.

#### **Joel Wall:**

This Before the Oath is great book for you because the content that is full of information for you who have always deal with world and have to make decision every minute. That book reveal it information accurately using great organize word or we can claim no rambling sentences in it. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but difficult core information with splendid delivering sentences. Having Before the Oath in your hand like having the world in your arm, details in it is not ridiculous 1. We can say that no publication that offer you world with ten or fifteen minute right but this guide already do that. So , it is good reading book. Hey there Mr. and Mrs. active do you still doubt in which?
