Los hongos alucinantes (Biblioteca Era/ Era Library) (Spanish Edition) Fernando Benítez

Mito o realidad, los hongos alucinantes se han convertido en un campo de estudio en el que, más allá de la magia, los infiernos o los paraísos, se busca encontrar algunas esquivas verdades sobre los mecanismos de nuestra conciencia y de nuestro ser, sobre las relaciones entre el yo íntimo y la realidad circundante. En este libro, el autor no sólo sintetiza la historia de las drogas mágicas, investigando las posibilidades de su manejo por los hombres mental y moralmente desarrollados; nos ofrece, además, el vívido testimonio de su propia experiencia con los hongos y su participación en esa ceremonia ritual presidida por la célebre María Sabina.
