The Hidden Richard Sala

Is this the end of the world? How did it happen? Why did it happen? There is one man who knows... Take a walk with the dazed survivors of a mysterious worldwide catastrophe. They are bound for a place, somewhere in the desert, where a terrible truth awaits them. This is the full-color, unadulterated horror graphic novel that Sala fans have been waiting for. This nightmarish story combines classic and modern horror themes and genres with a unique twist, and Sala's painted artwork has never looked better (or more gruesome).

"Sala's unique brand of creepy quirk combines Edward Gorey, Chester Gould, and Charles Adams with his own unclassifiable magic. *The Hidden*, from Fantagraphics Books, is his most ambitious work -- an intimate apocalypse." - FEARnet

Ilene Bixler:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Hidden can make you really feel more interested to read.
