## **Just Passing Through: Notes From a Sojourner** Margaret Guenther

Sojourner is an Old French word with jour--day--at its heart. It reminds us of our transience and of the inexorable passage of time. It reminds us that we do not own this world but that we are merely passing through. It reminds us that God's time is not our time.

Fans of Margaret Guenther will welcome this salty and wise collection of reflections on her life journey her childhood in Kansas City, her college days, her career, her travels, and her slow awakening to transience of all things. This writer and spiritual director looks back over the nearly eight decades of her life, tackling themes of childhood, friendship, moving, the magic of words, heaven, spirituality in cyberspace, asking the right questions, and things never to do again.

Readers of *Holy Listening*, *On Holy Ground*, *My Soul in Silence Waits*, *At Home in the World*, and *The Practice of Prayer* will delight in this book of fresh, humorous insights.
