Let It Go: A True Story of Tragedy and Forgiveness Chris Williams

When his wife and two children were killed in a drunk-driving accident, Chris Williams made the most important decision of his life.

On a cold February night in 2007, a devoted father of four and a seventeen-year-old drunk driver both received life sentences. In one violent, devastating instant, both faced a drastically different—and uncertain—future. But as Chris Williams sat in his demolished vehicle, staring at the car that had just caused the death of his wife, his unborn baby, his nine-year-old daughter, and his eleven-year-old son, he committed to do something extraordinary: he would forgive.

That decision launched Chris on a journey toward healing that affected his family and friends, the young man who caused the accident, and an entire community—a community that would face another deadly tragedy just a few days later.

Chris's message of forgiveness is an empowering invitation to all who have suffered, however unjustly, to lay down their burdens and *let it go*.
