Revival Messages: A Compilation of Pungent and Winsome Appeals to Wanderers from God B. H. Carroll

The reader will form his own conclusions of the power and sweep of Carroll's great messages. Here they are, and they tell their own story. He was a man after God's own heart, who lived a lofty and conquering life. My fixed conviction is that these messages and his other works will live long after all of those who had part in their preparation and all of this generation who are now privileged to peruse them have passed into rest.
