After spending nine months in a coma, Tara Kinsale awakes to devastating news. Her best friend, Alexis, has been murdered, leaving Tara as guardian to her daughter, Claire. And Tara's husband has divorced her for another woman.

Forced to start over, Tara focuses on reopening her P.I. firm and caring for Claire. But soon her world is shattered again when Nick MacMahon, Claire's uncle, returns from military service in Afghanistan to take guardianship of his niece. The bad dream turns unbearable when Tara learns that something precious was taken from her while she was in a coma.

Working with Nick, a man haunted by his own past, Tara begins to investigate the missing months of her life. Together, they will find that secrets don't stay buried forever...even when they are kept in the darkest of hiding places.
