**The home remodeling management book: How to plan, organize, and maintain control of your home remodeling project** Kathryn Schmidt, Kathryn E. Schmidt

This easy to use book: - Explains the remodeling process in organized steps. - Outlines the steps in one page summaries. - Provides checklists and worksheets to help manage the process and people. - Describes the potential problems and pitfalls of remodeling.

The Home Remodeling Management Book will make home remodeling easier for those who do not make a career out of remodeling projects. It presents an overview and an explanation of all the steps involved in planning and managing a project from beginning to end. It will help homeowners plan, budget, investigate building regulations, select design consultants and contractors, make design decisions, follow the construction process, keep expense records and select furnishings. Use the book throughout your remodeling project to stay organized and keep things under control.
