Developing Writing Skills in Italian has been specifically designed for upper-intermediate students of Italian who need to write Italian for personal, business and academic purposes.

With a strong focus on writing as a meaningful and valuable skill in itself, *Developing Writing Skills in Italian* supports the learner throughout the process of writing, from the planning and drafting stages to the revising and editing of a final version, enriching and extending the learners' lexical, grammatical and communicative writing skills.

Divided into four logically structured sections the learner can work through a range of realistic and contextualized writing tasks which will allow them to master a variety of styles, registers and formats.

Features include:

- flexible structure
- a summary of learning points clearly indicated at the beginning of each chapter
- focus on self assessment, allowing students to engage fully in the writing process by evaluating their own work
- a glossary of key phrases and useful vocabulary.

This course is suitable both for classroom use and independent study. Assessment guides, a teacher's guide, answer key and supplementary activities are all available on the accompanying website.
