Reveille for Radicals Saul Alinsky

Legendary community organizer Saul Alinsky inspired a generation of activists and politicians with **Reveille for Radicals**, the original handbook for social change. Alinsky writes both practically and philosophically, never wavering from his belief that the American dream can only be achieved by an active democratic citizenship. First published in 1946 and updated in 1969 with a new introduction and afterword, this classic volume is a bold call to action that still resonates today.

From the Trade Paperback edition.
