Southern Sassy Cooking: A Story of Faith and Food Rosalyn James

Southern Sassy cooking is a story of faith and food. This is my first commercial project that is the beginning of the many facets of my journey. This journey of faith, I hope will be an inspiration to all who read and enjoy these recipes. Again, this is only the beginning of my public journey. However, to the many people that have experienced some of my talents, this book is a long time coming. God has blessed me with the gift to create and I hope this book will be a blessing to others. I am an artist and this book is the first display of my culinary skills, but I consider myself a "Lifestyle Specialist". A Lifestyle Specialist is an artist that can transcend multiple creative art forms using different mediums. This cook book is my first medium.
