A brand new series for primary teachers that provides a full guide to teaching a primary curriculum area, especially for non-specialists. The content is closely tied to the new curriculum, with extracts from the curriculum itself and lesson plans and teaching ideas for every area.

The curriculum for History has drastically changed and this book will equip non-specialists to confidently deliver engaging and well-informed lessons. This is a very practical and easy to apply programme for teaching History either in your own classroom, or to implement across the school in the role of a co-ordinator.
