Here is a disc that should be in every CD-ROM collection. It is highly interactive and explores one of the most significant religious events of the 20th century, namely, the Second Vatican Council. Simply put, here is technology that touches the heart. Travel through Rome, the city that hosted Vatican II and learn about the council from those who were there and those who continue to live out its legacy. Choose one of five different paths in order to learn about Vatican II through interviews, video clips, archival photographs, and over 4,000 pages of informative text. Read the 16 official council documents, the daily accounts of the council in the Council Daybook, and Xavier Rynne's four volumes of council commentary. See the council in historical perspective with the interactive Timeline, which includes every church council through the centuries. Summary of contents: 28 exciting video clips, both archival and contemporary; interviews with over 130 council experts, beautiful photographs; more than 4,000 pages of authoritative text; a complete list of council attendees organized by country; and biographies of key Vatican II figures.
