Finders Keepers Fern Michaels

New York Times bestselling author Fern Michaels thrills us, once again, with the story of an unforgettable young woman who was stolen as a toddler from a poor but loving family, and who must journey through a maze of heartbreak before she can reclaim her true identity.

Raised in a magnificent Charleston house, Jessie Roland wants for nothing. But as she grows into young adulthood, all she feels is loss and a desperate need to break free from the stifling possessiveness of her "parents." Somewhere, in the deepest part of herself, Jessie believes that the world she has always lived in is not the one she came from. . .or belongs in.

Now, at nineteen, she has escaped to Washington, D.C., where no one knows her, and where she is swept into a whirlwind marriage to a Texas senator's son. But the past will not release Jessie, who is still haunted by a sense of lost happiness, of simple, tender gestures buried in her memory. Only in Luke Holt, a reclusive rancher, will she discover the strength to penetrate the darkness, and find her way back to a place she can call home.

Many people spending their period by playing outside with friends, fun activity having family or just watching TV the whole day. You can have new activity to invest your whole day by studying a book. Ugh, do you consider reading a book can definitely hard because you have to take the book everywhere? It okay you can have the e-book, getting everywhere you want in your Touch screen phone. Like Finders Keepers which is finding the e-book version. So , try out this book? Let's notice.

Vickie Kay:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Finders Keepers can make you truly feel more interested to read.
