**Veil of Time** Claire R. McDougall

In the tradition of Diana Gabaldon's *Outlander*, a woman finds herself transported to ancient Scotland and to nobleman Fergus, brother of the king. Fergus desperately wants Maggie to stay and create a life with him, but she's torn. Will she choose her future or his past?

**A compelling tale of two Scotlands—one modern, one ancient—and the woman who parts the veil between them.**

The medication that treats Maggie's seizures leaves her in a haze, but it can't dull her grief at losing her daughter to the same condition. With her marriage dissolved and her son away at school, Maggie retreats to a cottage below the ruins of Dunadd, once the royal seat of Scotland. But is it fantasy or reality when she awakens in a bustling village within the massive walls of eighth-century Dunadd? In a time and place so strange yet somehow familiar, Maggie is drawn to the striking, somber Fergus, brother of the king and father of Illa, who bears a keen resemblance to Maggie's late daughter. With each dreamlike journey to the past, Maggie grows closer to Fergus and embraces the possibility of staying in this Dunadd. But with present-day demands calling her back, can Maggie leave behind the Scottish prince who dubs her *mo chridhe*, my heart?
