**Visión de la conquista (Centzontle) (Spanish Edition)** Fernando Alva Ixtlilxóchitl

Fragmento de la vasta obra de uno de los más valiosos observadores de nuestro pasado remoto, donde se refiere la llegada de los españoles y los primeros pasos de la conquista de la Nueva España. En ellos, el lector atento descubrirá que, a diferencia de otras crónicas y relatos de época, Alva Ixtlilxóchitl reúne en su prosa y en su pensamiento una dicotomía esencial que se manifiesta en formas y sintaxis, expresiones y maneras que corresponden tanto al español peninsular como al indígena.
