Project Inspired: Tips and Tricks for Staying True to Who You Are Nicole Weider

Nicole Weider is on a mission: to help young girls avoid the traps that culture sets. The trap that baits you into thinking you must sacrifice your self-worth in order to be beautiful and popular. Nicole launched Project Inspired in 2010 (www.projectinspired.com), a website for teen girls that analyzes pop culture and explores ways girls can live in their authentic beauty.

In *Project Inspired*, Nicole shares tips for you to stay true to yourself—to how you were created to be—as well as how to dress modestly yet fashionably, how to make a positive difference in the world, and how to enjoy your teen years while standing firm in your faith. With photographs, real behind-the-scenes stories from inside the fashion world, and an honest look at living a life that looks great on the outside and feels great on the inside, *Project Inspired* is a book you'll turn to time and time again.
