One day you're you. The next you're ? I can't even say the word.

Dembe and Sam have been seeing each other for a while. They should be wondering where this is going and when to introduce each other to their families. But they're gay and this is Uganda. The consequences of their relationship being discovered will be violent and explosive. Especially for Dembe, whose brother goes into the pulpit each week to denounce the evils of one man loving another.

A Bruntwood Prize for Playwriting winner in 2013, *The Rolling Stone* received its world premiere at the Royal Exchange, Manchester, on 21 April 2015.
