Historia de Portugal: Tomo I (Portuguese Edition)

J. P. Oliveira Martins

Historia de Portugal: Tomo I (Portuguese Edition) J. P. Oliveira Martins

Os tres periodos são;...o dos tempos primitivos;...o dos tempos mythologicos;...e o dos tempos historicos. O primeiro periodo comprehende duas epochas principaes: a da origem do homem, e a do diluvio e da dispersão dos homens, segundo a tradição biblica. No segundo periodo notam-se tres epochas principaes que são:...a dos tempos idolatras, caracterizada pela fundação dos imperios da China, da Asia, do Egypto, e da Grecia, e pela{4} tendencia que os povos tinham a elevar P categoria de deuses os seus primeiros soberanos;...a dos tempos heroicos, em que appareceram grandes conquistadores, fundadores de cidades, e outros homens notaveis, que os povos, então jP mais adeantados, se limitaram a considerar na categoria de heroes ou semi-deuses;...a dos tempos poeticos, ou epocha em que os prophetas e os poetas exerceram uma acção efficaz sobre o progresso da civilização, e deram a firma poetica Ps tradições e P legislação. Reina ainda bastante incerteza na sciencia da Historia Pcçrca da verdadeira epocha do apparecimento do homem sobre a superficie da Terra. Por muito tempo foi geralmente acceito que, se tal epocha não era exactamente contemporanea das mais antigas civilizações orientaes de que temos noticia, pelo menos não era anterior ao actual periodo geologico, e que o homem simente havia apparecido pela primeira vez n'um periodo relativamente recente e jP contemporaneo da fauna e da flóra actuaes, cçrca do logar em que as tradições de differentes povos fazem demorar o berão da especie humana
