Rudolf Steiner

Karmic Relationships Vol 7: Esoteric Studies Rudolf Steiner

These profoundly esoteric lectures examine the underlying laws inherent in reincarnation and karma. In Steiner's words, the study of karma is "... a matter of penetrating into the most profound mysteries of existence, for within the sphere of karma and the course it takes lie processes which are the basis of the other phenomena of world existence..." This volume focuses on human experiences after death and before a new birth; karma in world history; the cosmic nature of Christ; waking, dreaming, sleeping; and the physical effects of karma.
