Although Phoenix may be the youngest major urban center in the United States, it was one of the first to recognize the significance of its historic neighborhoods by placing them in the city Historic Property Register. The three historic areas that form the basis of the Greater Coronado Neighborhood are Coronado, designated in 1986; Country Club Park, designated in 1993; and Brentwood, designated in 2003. The story of Phoenix is comprised of the collective experiences of many groups who have lived here. Weaving these multiple histories together through images of the people and places of the Greater Coronado Neighborhood, readers will have the opportunity to discover a neighborhood that is rich in resources and people who have helped Phoenix mature throughout the years.
