## **The Red Queen** Gemma Bowker-Wright

In her first collection of stories, Gemma Bowker-Wright leads us into the phases of transition and transformation in people's lives: a dream job, a rare afternoon between son and father, a man losing his wife to Alzheimer's, a first snow. Like the Red Queen of *Through the Looking-Glass*, many of these characters are running hard to stay in the same place, but moving ever forward. Their stories, which echo stories from evolution, ecology, and meteorology, form a deeply perceptive and captivating first book.
