Best known for its conceptual approach to nursing practice, **Conceptual Foundations: The Bridge to Professional Nursing Practice, 6th Edition** gives you the foundation you need to prepare for your role as a professional nurse. Expert educators Elizabeth E. Friberg and Joan L. Creasia bring together the best minds of nursing for a unique in-depth look at the profession's major theories, practices, and principles. Complete with three all-new chapters and updated content throughout, this expanded sixth edition challenges you to think critically and conceptually. In addition, new Evolve resources mean you can do more online than ever before.

- **Critical thinking exercises** at the end of each chapter help you use and apply what you have learned.
- **Case studies** throughout the text provide you with opportunities to develop your analytical skills.
- **Objectives** at the beginning of each chapter provide a framework for study.
- **Profile in Practice scenarios** at the beginning of each chapter introduce real-life situations that accompany the professional behaviors covered in the text.
- **Key points** at the end of each chapter reinforce learning objectives and help you focus on important information.

- **NEW! Three all-new chapters** bring you the latest information on telehealth in nursing practice, information management, and global rural nursing practice.
- **UPDATED!** Integrated and updated information on **Health Care Reform Initiatives**.
