The Illusion of Ignorance: Constructing the American Encounter with Mexico, 1877-1920 Janice Lee Jayes

The Illusion of Ignorance examines the cultural politics of the American encounter with Porfirian Mexico as a precursor and model for the twentieth-century American encounter with the world. Detailed discussions of the logistics of conducting diplomacy, doing business, or traveling abroad in the era give readers a vivid picture of how Americans experienced this age of international expansion, while contrasting Mexican and American visions of the changing relationship. In the end, Mexico's efforts to promote Mexico as a partner in progress with the U.S. was lost to an American illusion schizophrenically divided between fantasies of American leadership toward, and refuge from, modernity. The Illusion of Ignorance argues that American ignorance of the experience of other nations is not so much a barrier to better understanding of the world, but a strategy Americans have chosen to maintain their vision of the U.S. relationship with the world.

Therefore , not at all of book are generally make you bored, any it offers you feel happy, fun and loosen up. Try to choose the best book for yourself and try to like reading which.

Gayle Oconnell:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Illusion of Ignorance: Constructing the American Encounter with
