## **1812: The Navy's War** George C. Daughan

At the outbreak of the War of 1812, America's prospects looked dismal. It was clear that the primary battlefield would be the open ocean—but America's war fleet, only twenty ships strong, faced a practiced British navy of more than a thousand men-of-war. Still, through a combination of nautical deftness and sheer bravado, the American navy managed to take the fight to the British and turn the tide of the war: on the Great Lakes, in the Atlantic, and even in the eastern Pacific.

In *1812: The Navy's War*, prizewinning historian George C. Daughan tells the thrilling story of how a handful of heroic captains and their stalwart crews overcame spectacular odds to lead the country to victory against the world's greatest imperial power. A stunning contribution to military and national history, *1812: The Navy's War* is the first complete account in more than a century of how the U.S. Navy rescued the fledgling nation and secured America's future.

#### **Jeri McKeen:**

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this 1812: The Navy's War can make you experience more interested to read.
