Enoch Primordial: Chronicles of the Nephilim (Volume 2) Brian Godawa

This second novel in the saga Chronicles of the Nephilim is a prequel to *Noah Primeval* that tells the story of the Fall of the Watchers from heaven and the rise of the Nephilim generations before the Flood. Follow the epic journey of Enoch the giant killer with his small band of family warriors who seek outlaw giants for bounty, but stumble upon a conspiracy of the Watchers that is so evil, it will change the universe forever if God does not stop them. You'll meet some of the beloved characters from Noah Primeval when they were much younger, like Methuselah and Uriel, as well as the origin stories of the lead Watchers, Semjaza and Azazel who became the gods Anu and Inanna.

Chronicles of the Nephilim is written in the mythic genre of *The Lord of the Rings* and *Narnia*, blending fantasy and mythopoeia with history to retell the Biblical narrative with a fresh perspective, while staying true to the original spirit of the story.
