## **Limiters** Christopher Stoddard

*Limiters* is a disturbing portrait of Kyle Mason, a sixteen-year-old in aimless flight from a dysfunctional family. Once an honors student who loved to read, Kyle has run away from home and now seeks pleasure in the underground rave culture-his only way of avoiding the trauma of the murder of his older brother, which has thrown his grieving mother into a shrewish, overly critical frame of mind.

Fast-forward ten years: Kyle is now a sexually compulsive copywriter living in New York City, hyperactively riding the crests of a narcissistic and self-destructive personality. Through ineffective therapy and risky liaisons, he struggles to save himself...

Shocking but also full of humor, *Limiters* is a wild ride into American fringe cultures that never loses sight of the family dynamics and parental emotions almost all of us must face.
