A humorous and heartwarming debut about split cultural identities, and all the ways life fails to go according to plan for sixth-grader Lucy Wu.

Lucy Wu, aspiring basketball star and interior designer, is on the verge of having the best year of her life. She's ready to rule the school as a sixth grader, go out for captain of the school basketball team, and take over the bedroom she has always shared with her sister. In an instant, though, her plans are shattered when she finds out that Yi Po, her beloved grandmother's sister, is coming to visit for several months -- and is staying in Lucy's room.

Lucy's vision of a perfect year begins to crumble, and in its place come an unwelcome roommate, foiled birthday plans, a bully who tries to scare Lucy off the basketball team, and Chinese school with the annoying know-it-all Talent Chang. Lucy's year is ruined -- or is it?

A wonderfully funny, warm, and heartfelt tale about the ways life often reveals silver linings in the most unexpected of clouds.
