The Mechanics of Homosexual Intercourse (Little House on the Bowery)

Lonely Christopher

The Mechanics of Homosexual Intercourse (Little House on the Bowery) Lonely Christopher
The Mechanics of Homosexual Intercourse, a radical map of shortcomings in our daily experiences in the form of a debut story collection, presents thematically related windows into serious emotional trouble and monstrous love. Lonely Christopher combines a striking emotional grammar, reminiscent of Gertrude Stein's *Three Lives*, with an unyielding imagination in the lovely/ugly architecture of his stories.

Lonely Christopher is the author of several poetry chapbooks and is a contributor to the poetry volume *Into* (Seven Circles Press). His plays have been published, staged in New York City and internationally, and released in Mandarin translation. His fiction received Pratt Institute's 2009 Thesis Award. He is a founding member of the small press The Corresponding Society and an editor of its biannual journal *Correspondence*. He lives in Bed-Stuy, Brooklyn.
