The Truth Is Out There Brendan & Erc in Exile Volume 1 Amadeus

Brendan and Erc are just your average interplanetary mailmen trying to find their way in the galaxy. But one day, while piloting cargo through the far reaches of space, they suddenly find themselves on a journey they didn't expect: a journey to the truth. The Truth Is Out There combines the visual excitement and quirky humor of graphic novels with solid popular philosophy and theology. The result is a book in which everyone from teens to adults can find accessible answers to questions about God, the soul, true happiness, and much more and have fun doing it! And because Brendan and Erc start their journey at the very beginning, readers don't have to possess any kind of faith to appreciate the thoughtful ideas and arguments they'll encounter. If you just have an open mind (and a sense of adventure) you will come away from these pages with a clearer sense of life's purpose, and a better understanding of the reasons for believing in God, Jesus, and the Church. And if you're already a believer, The Truth Is Out There will deepen your knowledge of the Faith and sharpen your skills at defending it.
