In Awe In Argentina

Rocky Grams

In Awe In Argentina Rocky Grams

Follow the chronicles of testimonies from people in Argentina who are personally experiencing the mighty power and presence of God. People are calling upon the name of the Lord in the midst of their desperation and their prayers are being answered. Grams reveals the lowest of lows and the highest of highs in this collection of heart-warming testimonies.

You will be amazed and overwhelmed by the stories and reports of healing and transformation. These reports include salvation stories from former homosexuals, prostitutes, transvestites, and thieves. Benefit from seeing God's works and how His grace can save even the worst of sinners.

Also included is information on praying for the desperate, how to stay protected in the midst of criminal activity, where a church should meet, an analysis of God's favor in Argentina, and how to endure longevity of God's move and avoid the pitfalls that have ended many revivals.

This is not a how to book on revivals but a book filled with stories and examples of God's love and mercy.

About the Author:

Rocky Grams grew up on the mission field, and spent sixteen years in Bolivia ministering alongside his parents, assisting in planting churches, distributing literature, ministering to youth, and teaching music and Spanish at a Bible School for Aymara people. He and his wife, Sherry, then were pastors in Wisconsin, and they have continued to connect into the United States regularly with preaching and teaching. The Grams have served as missionaries to Argentina since 1979, and both sense an urgency to help provide training for young people who are called into ministry.

Rocky now serves as director of the Instituto Biblico Rio del la Plata in Buenos Aires where many of the leaders of the Argentine revival were trained for the pastorate. The Grams have been in the middle of this move of God for years, providing them with a unique opportunity to gather the numerous stories now shared in this book.

From reader reviews:

Kimberly Rubio:

Nowadays reading books become more and more than want or need but also become a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book this improve your knowledge and information. The details you get based on what kind of publication you read, if you want attract knowledge just go with education and learning books but if you want really feel happy read one using theme for entertaining including comic or novel. The actual In Awe In Argentina is kind of publication which is giving the reader unstable experience.

Graciela Tubbs:

Spent a free time for you to be fun activity to do! A lot of people spent their leisure time with their family, or their own friends. Usually they doing activity like watching television, planning to beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your current free time/ holiday? Could possibly be reading a book might be option to fill your free of charge time/ holiday. The first thing that you'll ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the reserve untitled In Awe In Argentina can be excellent book to read. May be it may be best activity to you.

Mary Sylvester:

People live in this new day of lifestyle always try and and must have the extra time or they will get great deal of stress from both way of life and work. So , when we ask do people have spare time, we will say absolutely yes. People is human not only a robot. Then we request again, what kind of activity do you have when the spare time coming to an individual of course your answer can unlimited right. Then do you try this one, reading ebooks. It can be your alternative with spending your spare time, often the book you have read will be In Awe In Argentina.

Anthony Alfaro:

Your reading 6th sense will not betray a person, why because this In Awe In Argentina publication written by well-known writer who really knows well how to make book which can be understand by anyone who all read the book. Written inside good manner for you, leaking every ideas and creating skill only for eliminate your own hunger then you still hesitation In Awe In Argentina as good book but not only by the cover but also by the content. This is one reserve that can break don't evaluate book by its protect, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your examining sixth sense already told you so why you have to listening to a different sixth sense.
