On Sexuality and Power (Between Men-Between Women: Lesbian and Gay Studies)

Alan Sinfield

On Sexuality and Power (Between Men-Between Women: Lesbian and Gay Studies) Alan Sinfield

It is widely supposed that the most suitable partner will be someone very much like oneself; gay fiction and cinema are often organized around this assumption. Nonetheless, power differentials are remarkably persistent?as well as sexy. What are the personal and political implications of this insight?

Sinfield argues that hierarchies in interpersonal relations are continuous with the main power differentials of our social and political life (gender, class, age, and race); therefore it is not surprising that they govern our psychic lives. Recent writing enables an exploration of their positive potential, especially in fantasy, as well as their danger.

On Sexuality and Power focuses on the writing of the last thirty years, revisiting also Whitman, Wilde, Mann, Forster, and Genet, and reassessing the very idea of a gay canon.
