## **The Secret Agent** Joseph Conrad

*The Secret Agent* is set in the seedy world of Adolf Verloc, a storekeeper and double agent in late-Victorian London who pretends to sympathize with a group of international anarchists but reports on their activities to both the Russian embassy and the British government. As he is drawn further into a terrorist bombing plot, his family also becomes involved, with devastating consequences. Based on a real-life failed anarchist plot, *The Secret Agent* is both intimately engaged with its historical moment and profoundly relevant today.

This new Broadview Edition helps to recreate the historical context that informed Conrad's preoccupations with global terrorism, human degeneration, the relativity of time, and the position of women.
